2026 National Public Safety Awards

USJE's members deserve to be celebrated for their work. After all, they protect Canadians from coast to coast to coast each and every day! This is why we created the National Public Safety Awards—to recognize and honour outstanding USJE members across Canada.

We encourage you to nominate a colleague whose years of service and commitment to going above and beyond the call of duty stand out. This year's awards will take place in Ottawa on April 15. The deadline for nominations is February 4.
