UNION OF SAFETY AND JUSTICE EMPLOYEES

## After years of advocacy by USJE, the Correctional Service of Canada Moves to Strengthen Sentence Management

After many years of sustained advocacy by the Union of Safety and Justice Employees, the Correctional Service of Canada has agreed to restructure, provide additional staff resources, and strengthen systems to ensure that the complex work of Sentence Management within CSC can be undertaken without compromising the well-being of staff or public safety outcomes.

## USJE launches groundbreaking research revealing urgent need to support Correctional Program Officers and strengthen rehabilitation in Canada's correctional system

The Union of Safety and Justice Employees launched its groundbreaking, independently commissioned research on the experiences and perspectives of federal Correctional Program Officers on March 25, 2026.

USJE commissioned this research in 2023 through a partnership with Memorial University, and the research findings from the academic team were made available to USJE late last year.

## Tentative agreement reached between PSAC-USJE and CSIS

Our PSAC-USJE bargaining team is pleased to announce that a tentative agreement has been reached with the Canadian Security Intelligence Service (CSIS), one day before our arbitration date. This achievement is the result of the hard work, commitment, and determination of our bargaining team and members across the country.
