## National Public Safety Awards

USJE's National Public Safety Awards recognize and celebrate the outstanding work undertaken by our members across the country. Too often, the crucial work of USJE members happens behind the scenes, out of sight of many Canadians who depend on the commitment and dedication of federal public safety and justice employees to keep them safe.

The award nomination process is ongoing, and we encourage members to continue submitting their colleagues for nomination. [usje-sesj.com](https://usje-sesj.com)
